

Hyderabad ENT Research Foundation presents

133RD

HANDS-ON TEMPORAL BONE, CADAVER DISSECTION, COCHLEAR IMPLANT & LIVE SURGICAL WORKSHOP

15TH - 18TH FEBRUARY 2024

COURSE FACULTY

DR. G V S RAO

Dr. G.V.S. Rao, Chairman of Dr. Rao's ENT Group in Hyderabad, has 32 years of otorhinolaryngology experience. Known for the widely distributed "Guidelines for Temporal Bone Dissection," he set a "Limca Book of Records 2010" record with 20 micro-ear surgeries in under 12 hours. His pioneering work includes Hyderabad's first private temporal bone laboratory and 132 hands-on cadaver workshops, drawing international delegates from multiple countries.

DR. G V K CHAITANYA RAO

Dr. GVK Chaitanya Rao, Managing Director of Dr. Rao's ENT Group of Hospitals, boasts over 10 years of rhinology expertise, specializing in advanced sinus surgery with 10,000+ successful procedures. Trained at IRCAD Taiwan, he directs rhinology hands-on training at the hospital, instructing over 3000 global ENT surgeons in 130+ workshops. A member of ARS and ERS, he's a frequent speaker at global conferences and earned recognition from Times of India for outstanding sinus surgery.

DR. SHREE RAO

Dr. Shree Rao, Director & ENT surgeon, specializes in Paediatric ENT, Otology, and Cochlear implants with 10+ years of experience and 5000+ surgeries. Holds a Cochlear Implant surgery fellowship and advanced training in Rhinoplasty. Awarded prestigious honors including Abdul Kalam Health and Medical Excellence, Times Health Excellence in ENT, and Best ENT Surgeon from Hyderabad. Actively mentors and trains ENT surgeons through the Hyderabad ENT Research Foundation in otology and Cochlear implants, leading over 130 workshops.

ABOUT DR. RAO'S ENT

Dr. Rao's ENT is Asia's largest ENT Hospital, spanning 47,000 sq.ft. across 6 floors with 50 beds, 9 OPD units, 5 Modular OTs, and 4 branches, all holding NABH Accreditation. We prioritize humanized care, with a highly qualified team and international experts joining us for consultations and training.
