# TEMPORAL BONE DISSECTION

COCHLEAR IMPLANT & LIVE SURGERY WORKSHOP

24th & 25th August 2024

## THE SURGICAL VENUE

Dr. Rao's ENT endeavours to build a healthier community and nation by making the world's finest and most personalised ENT healthcare a possibility for everyone. By unifying a committed team of surgeons and consultants, modern equipment and technologies and an innovative approach, the hospital is a one-stop hub for the entire spectrum of ENT solutions. The 100-bed facility sprawling over 47000 sq. ft. In the heart of Hyderabad is a hub of sophistication.

The 7-star premises includes a dedicated 6000 sq. ft. floor space reserved solely for research and workshops. A 12-Station Temporal Bone Laboratory with HD quality camera mounted microscopes, and a 150-seater auditorium are some other highlights of this state-of-the-art venue

## COURSE FACULTY

### DR. G V S RAO

Dr. G.V.S. Rao, Chairman of Dr. Rao's ENT Group in Hyderabad, has 32 years of otorhinolaryngology experience. Known for the widely distributed "Guidelines for Temporal Bone Dissection," he set a "Limca Book of Records 2010" record with 20 micro-ear surgeries in under 12 hours. His pioneering work includes Hyderabad's first private temporal bone laboratory and 132 hands-on cadaver workshops, drawing international delegates from multiple countries.

### DR. G V K CHAITANYA RAO

Dr. GVK Chaitanya Rao, Managing Director of Dr. Rao's ENT Group of Hospitals, boasts over 10 years of rhinology expertise, specializing in advanced sinus surgery with 10,000+ successful procedures. Trained at IRCAD Taiwan, he directs rhinology hands-on training at the hospital, instructing over 3000 global ENT surgeons in 130+ workshops. A member of ARS and ERS, he's a frequent speaker at global conferences and earned recognition from Times of India for outstanding sinus surgery.

### DR. SHREE C RAO

Dr. Shree Rao, Director & ENT surgeon, specializes in Paediatric ENT, Otology, and Cochlear implants with 10+ years of experience and 5000+ surgeries. Holds a Cochlear Implant surgery fellowship and advanced training in Rhinoplasty. Awarded prestigious honors including Abdul Kalam Health and Medical Excellence, Times Health Excellence in ENT, and Best ENT Surgeon from Hyderabad. Actively mentors and trains ENT surgeons through the Hyderabad ENT Research Foundation in otology and Cochlear implants, leading over 130 workshops.
