

139th

**HANDS ON CADAVER
TEMPORAL BONE DISSECTION,
FESS & LIVE SURGICAL
WORKSHOP**

WORKSHOP DATES
NOVEMBER 14 - 17, 2024

HYDERABAD ENT
RESEARCH FOUNDATION

Hyderabad ENT Research Foundation and Dr. Rao's ENT Hospitals are glad to announce the **139th Hands-On Temporal Bone, Cadaver Dissection and Live Surgical Workshop** to be held at our new premises at KPHB, Hyderabad.

We are proud to state that during our previous 138 workshops, we have trained more than 3000 ENT surgeons from all over India and across the world from countries like USA, UK, Malaysia, Singapore, Iraq, Iran and Bangladesh. Our KPHB premises have a dedicated 6000 sq.ft floor reserved solely for research and workshops. A 12-Station Temporal Bone Laboratory with HD quality camera, mounted microscopes and a 150-seater auditorium are some of the highlights of this state-of-the-art venue.

Our sincere thanks go out to everyone for their generous encouragement and support towards our mission to develop and improve skills of junior as well as senior ENT surgeons.

HIGHLIGHTS FROM PAST WORKSHOPS

HYDERABAD ENT
RESEARCH FOUNDATION

DR. G V S RAO

Dr. G.V.S. Rao, Chairman of Dr. Rao's ENT Group in Hyderabad, has 32 years of otorhinolaryngology experience. Known for the widely distributed "Guidelines for Temporal Bone Dissection," he set a "Limca Book of Records 2010" record with 20 micro-ear surgeries in under 12 hours. His pioneering work includes Hyderabad's first private temporal bone laboratory and 132 hands-on cadaver workshops, drawing international delegates from multiple countries.

DR. G V K CHAITANYA RAO

Dr. GVK Chaitanya Rao, Managing Director of Dr. Rao's ENT Group of Hospitals, boasts over 10 years of rhinology expertise, specializing in advanced sinus surgery with 10,000+ successful procedures. Trained at IRCAD Taiwan, he directs rhinology hands-on training at the hospital, instructing over 3000 global ENT surgeons in 130+ workshops. A member of ARS and ERS, he's a frequent speaker at global conferences and earned recognition from Times of India for outstanding sinus surgery.

DR. SHREE RAO

Dr. Shree Rao, Director & ENT surgeon, specializes in Paediatric ENT, Otology, and Cochlear implants with 10+ years of experience and 5000+ surgeries. Holds a Cochlear Implant surgery fellowship and advanced training in Rhinoplasty. Awarded prestigious honors including Abdul Kalam Health and Medical Excellence, Times Health Excellence in ENT, and Best ENT Surgeon from Hyderabad. Actively mentors and trains ENT surgeons through the Hyderabad ENT Research Foundation in otology and Cochlear implants, leading over 130 workshops.
