SURGICAL VENUE

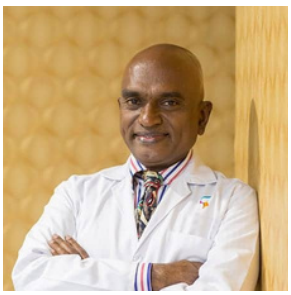

Dr. Rao's ENT endeavors to build a healthier community and nation, by making the world's finest and most personalized ENT healthcare a possibility for everyone. By unifying a committed team of surgeons and consultants, modern equipment & technologies, and an innovative approach, the hospital is a one stop hub for the entire spectrum of ENT solutions.

Our 100-bed facility built over a sprawling 47,000 sq. ft. premises in the heart of Hyderabad is a hub of sophistication.

Our 7-star premises includes a dedicated 6,000 sq. ft. floor space reserved solely for research and workshops.

A 12-station Temporal Bone Laboratory with HD quality camera mounted microscopes, and a 150-seater auditorium are some other highlights of this state-of-the art venue.
